4. News

- a. Four members of the Staff inspected a special shelf filing system used by the Bureau of Ships, Navy Department. This is a overhead suspension type installation known as Tract-a-file. It is doubtful that it will be applicable in our present temporary type building. We will keep it in mind, however, for the use in the new Agency building.
- b. Assisted the National Archives in making available tape recording of "Tokyo Rose" for use by the Department of Defense and Metro-Goldwyn-Mayer.
- c. Five members of this Staff and 3 Area Records Officers attended the Intragency Conference meeting at the National Archives.
